Jacie is an amazing Fine Art Consultant. I worked with Jacie at L Maynard studios as an exhibiting artist. Jacie has great organizational skills. She pays close attention to detail and has a masters eye in visioning for exhibitions, art happenings, and creating sacred space. I loved working with Jacie and the whole Maynard family. They are professional, kind, fair and honest which is the best combination in my book!

Jacie was the President of CAC when I curated the group show "dark gallery" there. She was very supportive of the artists efforts and served well as a public face for the artist run organization. She has been a consistent supporter of local and guest artists.
